The Deputy Commr of Kadur would continue the boon, as by using the bungalows no question can arise for tents and their wear and tear will be saved.

As argument K.A.

This agreement would apply to bungalows of the 1st and 2nd Class also, and supplies a good reason for increasing the number of Bungalows as new roads are opened out, especially on the Trunk Road.

2. The undersigned considers that the employees referred to in rule 4 are Surveyors & Surveyors, and sees no objection to the concession being continued to officials of that grade, while it should cease in respect of others.
